Education

KPR INSTITUTE OF ENGINEERING AND TECHNOLOGY Arasur ,Coimbatore -641407 August-2023
PRESENT B.TECH ARTIFICIALINTELLIGENCE AND MACHINE LEARNING, CGPA: 7.3

Experience

PwC Switzerland – Power BI Job Simulation | Feb 2025

- Developed **KPI-focused dashboards** based on client data requirements.
 - Analyzed **HR datasets to identify gender-related trends** at executive levels.
 - Delivered **data-driven insights using Power BI visualizations** and clear reporting.
-

Projects

Real-Time FOD Detection System ([Computer Vision Project](#))

- Developed a Foreign Object Debris (FOD) detection system using machine learning and computer vision.
- Implemented image preprocessing and object detection to identify runway debris.
- Designed for real-time monitoring to improve airport safety.

AI Medical Assistant (RAG + LLMs)

- Built a Streamlit chatbot using LangChain + Pinecone, implementing RAG with embeddings for real-time medical Q&A ([Link](#)).

SMS Spam Classifier ([Link](#))

- Built an NLP model using TF-IDF, NLTK, and Multinomial Naive Bayes.
- Evaluated performance using accuracy, precision, and confusion matrix.

Movie Genre Classification System ([Link](#))

- Developed using TF-IDF, Logistic Regression, Naive Bayes, and SVC.
- Deployed using Streamlit for interactive prediction.

Customer Churn Prediction([Link](#))

- Implemented Logistic Regression and Gradient Boosting models.
- Applied data scaling, ROC-AUC evaluation , and hyperparameter tuning.

Data Analytics

Data Analytics Dashboards ([Power BI](#))

- Electric Vehicle Analysis Dashboard – KPIs, heatmaps, CAFV eligibility insights.
 - Retail Sales Dashboard – Regional sales trends and brand performance analysis. ([Link](#))
-

Skills

Programming: Python, Java, R, C

Data Science & ML: Pandas, NumPy, OpenCV, Scikit-learn, NLP

Data Analytics: Power BI, Data Visualization

Database: PostgreSQL, SQL

Certifications

- PwC Power BI Job Simulation (2025)
- Data Visualization using Python (2024)
- Artificial Intelligence Fundamentals (2024)
- 30-Day Power BI Masterclass (2024)
- Introduction to Data Science by Cisco (2025)
- Spoken tutorial test IIT Bombay (RDBMS,Java,C)
